Becky,

Please find attached Bill Jaworski's HAZWOPER Certification. In addition, Andrew Vining with Farallon will also be present for a portion of the work. Andrew's HAZWOPER Certifications are attached.

Hi Becky,

One additional comment to add. Bill Jaworski with MSS (b) (6) will not be able to provide us his HAZWOPER Certifications until (b) (6) the middle of January. He will not be out on the boat until the coring begins on January 27, we will provide his documentation by January 22.

Let me know if you have any questions.

Thanks,
Amy

Becky,

Please find attached for EPA's review a letter providing health and safety documentation as required by Addendum No. 2 to the Operations, Monitoring, and Maintenance Plan, Jorgensen Forge Early Action Area Removal Action dated July 16, 2015, prepared by Anchor QEA, LLC (Anchor QEA); the Construction Quality Assurance Plan Modification No. 1, Jorgensen Forge Early Action Area Removal Action dated July 16, 2015, prepared by Anchor QEA; and the letter

regarding EPA Modifications to Addendum No. 2, Operations, Monitoring and Maintenance Plan, Jorgensen Forge Early Action Area Removal Action and to Construction Quality Assurance Plan Modification No. 1, Jorgensen Forge Early Action Area Removal Action dated September 8, 2015, prepared by EPA. This letter also provides notification of the subcontractors that Anchor QEA has retained to conduct the sediment sampling activities.

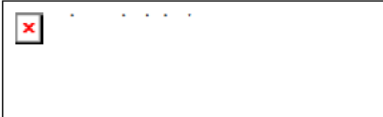

Please let me know if you have any questions.

Thanks,
Amy
